Bring your group to The Summit

It's much easier than bringing The Summit to your group!

Groups save over 20% at The Summit. Whether you're representing a school, club, company, organization, church, or a bunch of friends, we have just the thing. Our group activities range from downhill skiing, snowboarding, beginner lessons, nordic skiing, snowshoeing, and tubing. We also have great meeting facilities and a catering menu to create the perfect company function including, ample opportunity for impromptu snowball fights.

The Summit also offers some really cool stuff to groups, including up to 20% off lift tickets, rentals, lessons, season passes, and more. For every 20 lift tickets purchased, we offer one complimentary lift ticket for the group leader. Most importantly, you'll receive our undivided attention, just short of being waited on hand and foot (minimum of 20 people per group).

We know what it takes to create a successful group outing, but would like to go one step further. Our friendly staff will see to it that every detail is taken care of before and during your visit. We're committed to making your trip to The Summit a huge success! We want you to have a memorable experience, returning every year! So, check out the packages we have to offer and pick the one best suited for your recreational experience.

Please call us with any questions you may have and remember...
