

Ski/Snowboard Groups

Friends encourage friends to participate in snow sports.

The great thing about The Summit is that we have terrain for everyone. Whether you're just learning to ski, cruising the blue squares, or hitting jibs in our terrain parks, you'll find it all right here. We also offer one of the best learning centers in the state. We'll have the beginners in your group carving down the hill in no time. Then there's the experts...you won't see them until the end of the day!

All you need is a group of 20 or more people, one form of payment for the entire group and your reservation. Additional options for ticket pickup: we can mail you the tickets ahead of time, have your tickets ready to pick up at a designated area "will call" or just stop by our office; we will be ready for you.

Lift Tickets Group Rate Regular Rate

Snowshoe Tour Package.....	\$37	\$42

Please contact one of our Group Sales Coordinators for information and availability on our Nordic/ Snowshoe group lessons and guided tours.

Tubing Groups

Did you know the Summit has the largest tubing park in the state? Snow tubing is quite possibly the most group friendly winter activity on the hill. Absolutely anyone can enjoy careening downhill on one of our specially designed tubes. With multiple groomed lanes and special tubing lifts to bring you back to the top of the hill the Summit's tube park has you covered. For groups of 20 people or more we'll not only get your time secured, we'll work to find the best savings possible for your group.

Private Group Tubing

Sharing is nice, but the ultimate tubing experience is had when it becomes a private affair. Exclusive tubing sessions are available Wednesday and Thursday only and a minimum of 50 people is required to arrange your event. From the tubing hill to exclusive use of our tubing center lodge, we can help you plan anything from a good-sized birthday party to an all day fun-filled retreat for your church group or company. Affordable rates are determined by group size and desired session length.

To organize your Tubing Group or Buyout, contact us at:

Phone: 425.434.6791

or email tubing@summit90.com

Food... Meetings... Events

Playing in the snow creates BIG appetites, and we're pretty good about taking care of them. Check out our options for feeding your hungry crew.

Meetings with Catering can be arranged for your group event. What better place to spend your next board meeting or morale event than in the beauty of the snow-covered Cascades? Enjoy a productive day on the slopes complete with the use of an exclusive meeting room and your choice of a delicious catered breakfast, lunch or dinner. With several meeting and dining facilities and an appetizing catering menu, we have something for every size group. Be sure to check out our catering menu on line. We're also happy to customize your catering event, so feel free to contact us to discuss other possibilities.

Hot, Delicious Pizza is always a great way to wrap up a great day on the slopes. Or place your order with our Group Activities Coordinator 24 hours in advance and enjoy it ready to go for lunch! (Sorry, no reservations are available in open seating areas).

Summit Cards Ask our Sales team about discounts on food and beverage items for groups of 20 or more!

Want to Buyout Summit West for the day/night? For a base fee, we'll give you freedom to enjoy the Summit West base area. This includes: One mountain, five chair lifts for six hours, fully staffed food and beverage stations and your own service staff. All the ingredients for an unforgettable corporate event or a heck of a party! Cheers!

To plan your next company meeting or event, please contact Group Activities at :
